

Al-Waarith is the Ultimate Inheritor. He is The One that everything and everyone will return to, the One Who remains after the creation perishes. Everything besides Him will vanish and everything except Him will die, and He is the Ever - Living Who never dies; the One Who remains and does not perish. To Him, Al-Waarith, is the final destination and return of of everything.

Reflection: Al-Waarith invites us to think about the things that we can inherit after we die- rather than the things we will inherit while we are here, from others. Al-Waarith invites us to inherit the permanency of Paradise that He has already created for us, "...Paradise the width whereof is as the width of the heaven and the earth, prepared for those who believe in Allah and His Messengers." (Surah Al-Hadid: 21). A home that our beloved Prophet ﷺ said, we will know the way to "better than he knew his way to his home in the world" (Bukhārī).

Jannah is the ultimate inheritance, the ultimate prize and reward Allah ('azza wa jall) has prepared for His obedient servants.

And before we get there, and after we die - by the generosity and will of Allah, Al-Waarith - there are things that we can inherit in the grave. The Messenger of Allah (ﷺ) said, "When a man dies, all of his deeds come to an end except for three things: Sadaqah Jariyah (ceaseless charity); a knowledge which is beneficial, or a virtuous descendant who prays for him (for the deceased)." [Muslim].

AFFIRMATIONS

I attach myself to the One Who gave me everything and the One to Whom I will return.

Whatever I spend for Allaah is what is sent forth for me to inherit in Jannah, and is a gain for my benefit. I look forward to enjoying my inheritance in Jannah.

I am deeply grateful to Allah, Al- Waarith for...

AYAT

"And indeed, it is We who give life and cause death, and We are the Inheritor."

(Quran 15:23)

“And indeed, it is We who give life and cause death, and We are the Inheritor.”

(Quran 15:23)

Living with this Name:

Receive the inheritance of our Prophet ﷺ

The best inheritance is the inheritance of the prophets and messengers who did not leave behind anything from this worldly life; rather they left behind knowledge.

Be an inheritor of the Quran- the best knowledge is the Quran. The Book of Allah is the best inheritance we can hope to gain because it benefits our dunya and aakhirah- it is an inheritance not only from the Prophet ﷺ, but an inheritance from Allah subhanahu wa ta'ala Himself .

Inherit a home in Jannah by:
Praying 12 rak'ats of sunnah in a day.

Messenger of Allah ﷺ said: “Whoever prays twelve rak'ahs every day and night, a house will be built for him in Paradise because of them.” Narrated by Muslim (728). Pray 12 rawaatib sunnah prayers to inherit a home.

Helping to build a masjid “Whoever builds a Masjid for Allah, Allah will build for him a home like it in Jannah” (Bukhari).

Leave behind good yourself. Knowledge that benefits – whether that is through our children, any writing or things we do to spread knowledge that is beneficial in the sight of Allah.

رَبِّ أَوْزِعْنِي أَنْ أَشْكُرَ نِعْمَتَكَ الَّتِي أَنْعَمْتَ عَلَيَّ وَعَلَى

إِنِّي تَوَكَّلْتُ عَلَىكَ وَإِنِّي مِنَ الْمُسْلِمِينَ

"My Lord, enable me to be grateful for Your favour which You have bestowed upon me and upon my parents and to do righteous deeds of which You will approve and make righteous for me my offspring. Indeed, I have repented to You, and indeed, I am of the Muslims."

(Surah Al-Ahqaf, 46:15)
